

Air Resources Board AB 32 Scoping Plan  
Economic Analysis Technical Stakeholder Working Group Meeting

April 4, 2008

1:30 p.m. to 3:30 p.m.

Sierra Hearing Room, 2nd floor of the Cal/EPA Headquarters Building  
1001 "I" Street in Sacramento, CA

This is the fourth in an ongoing series of economic analysis technical stakeholder meetings. These meetings are open to the public and full participation by all parties is encouraged.

**The specific focus of this meeting will be to examine issues associated with the economic modeling of an "offset" program.** The discussion will build on the topics raised in the program design stakeholder meeting focused on offsets which will immediately precede this economic analysis meeting.

Additional materials and an agenda will be posted prior to the meeting at ARB's Climate Change webpage for the economic analysis technical stakeholder meetings (<http://www.arb.ca.gov/cc/scopingplan/economics-sp/meetings/meetings.htm>) and made available in hard copy at the meeting. A current version of the schedule for upcoming meetings in this series is also available at that webpage. At this website, you may also join our electronic mailing list to receive further notices of ARB activities and public meetings related to the implementation of AB 32.
